

1) QUALITY POLICY STATEMENT

Quality Management

Sabre Jetting Services Ltd. is committed to providing high quality workmanship, effective project management and outstanding customer service.

Proposed work will be carried out to meet and where appropriate exceed the tender specifications. This includes ensuring that we work to the water jetting association's code of practice.

Sabre Jetting Services aims to remain at the forefront of the water jetting industry by continuing to pursue innovative methods of working which increases both operative safety and client satisfaction

Sabre Jetting Services Ltd. operates a quality management system (QMS) to ensure that we deliver consistent high quality. We are dedicated to the continual improvement of our QMS. Details of our quality management processes and procedures are available on request. David Malin will take responsibility for ensuring effective quality management on each project

This policy will be reviewed annually. Next review will be 12 months from date signed

Managing Director

A handwritten signature in black ink, appearing to read 'David Malin'. The signature is written in a cursive style.
