## **ENVIRONMENTAL STATEMENT**

**It is the policy of SABRE JETTING SERVICES LTD to do all its business in a way as to lessen or eliminate any adverse effect on the environment.**

In order to achieve this, the company will:

- use all good environmental practices in its day to day operations.
- use material from sustainable sources.
- use registered waste disposal companies for removal of all waste streams.
- ensure all company vehicles meet all emission standards.
- always maintain high standards of cleanliness in respect of litter and waste packaging.
- ensure any cleaning agents used are of a biodegradable nature.
- ensure any chemicals that are used do not present an environmental hazard.
- limit to a minimum and strive to eliminate all emissions to the atmosphere e.g. dusts and carbon dioxide.
- limit to a minimum the use of electricity and gas supplies and to eliminate any wastage.
- stop the use of any chemicals that have a detrimental effect on the ozone layer.
- consider all environmental impacts of new equipment or new work undertaken.
- lessen the impact of any nuisance noise and to work within set hours in residential areas.
- respect all clients policies aimed at a better environment.
- Commit to continual improvement of our environmental management Systems
